### PROPERTY RIGHTS IN THE COMMON AREA

Title to the Common Area. Subject to the limitations and restrictions of this Declaration, title to the Common Area shall be conveyed in fee simple, free and clear of all encumbrances except those existing of record immediately prior to Declarant's ownership, by the Declarant to the Association, prior to the conveyance of the first Unit in any phase.

Non-Division of Common Area. The Common Area shall remain undivided and shall not be subject to partition. By the acceptance of the deed or other instrument of conveyance or assignment, each Owner specifically waives his right to institute and/or maintain a partition action or any other action designed to cause a division of the Common Area. Each Owner specifically agrees not to institute any action therefore. Further, each Owner agrees that this section may be pleaded as a bar to the maintenance of such an action. A violation of this section shall entitle the Association to personally collect, jointly and severally, from the parties violating the same, the actual attorney fees, costs and other damages the Association incurs in connection therewith. It is agreed by all Owners that the foregoing restrictions are necessary to preserve the rights of all Owners regarding the operation and management of the Common Area. Nothing contained herein shall be construed as a limitation of the right of legal partition of a Unit between the Owners thereof, but such legal partition shall not affect any other Unit, nor shall any such partition sever any part thereof from such Units as a whole.

Owners' Common Area Easement of Enjoyment. Subject to the limitations and restrictions of this Declaration, every Owner shall have an equal, nonexclusive right and easement of enjoyment in and to the Common Area, including, without limitation, the right of ingress and egress to and from the Owner's Unit, his parking area, any private street, or any recreational facilities completed upon the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Unit without the necessity of additional reference.

Extent of Owner's Common Area Easement. The rights and easements of enjoyment created hereby shall be subject to the following:

(a) The right of the Association to enforce the restrictions contained in Article VII of this Declaration and to promulgate and publish rules and regulations which every Owner, his invitees, guests, tenants, and contractors shall strictly comply with, including, without limitation, the right of the Association to establish reasonable charges for the use of all or a portion of the Common Area if deemed necessary;

(b) The right of the Association, as provided in its Articles of Incorporation or Bylaws, to suspend an Owner's voting rights and the right to use the Common Area

for any period during which such Owner is in default under this Declaration, including, without limitation, the nonpayment of any Assessment levied by the Association, and to make such suspensions for any infraction of its published rules and regulations;

(c) The right of the Association to consent to or otherwise cause the construction of additional Improvements on the Common Areas and to consent to or otherwise cause the alteration or removal of any existing Improvements on the Common Areas for the benefit of the Members of the Association. Further, the additional right of the Association to close or limit the use of the Common Area while maintaining, repairing and making replacements in the Common Area. The Association shall have the right to grant easements under, over, across, through and upon the Common Area as long as the easements granted do not interfere with the use of a Unit;

(d) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes, subject to the provisions of Article XI hereof and C.R.S. § 38-33.3-312, and subject to such conditions as may be imposed by the public entity; for example, if any interior streets are private and have not been built to city or county specifications and so might not be accepted by them;

(e) The rights of the Association as set forth in the Association's Articles of Incorporation and Bylaws, including, without limitation, to borrow money for the purpose of improving the Common Area and, subject to the provisions of Article XI and C.R.S. § 38-33.3-312, to mortgage said property as security for any such loan;

(f) The right of the Association to take such steps as are reasonably necessary to protect the Common Area against foreclosure;

(g) The right of Declarant (until termination of the Development Period) or the Board (after termination of the Development Period) to assign or allocate any part of the Common Area to be a Limited Common Area, for the exclusive use of a particular Owner; and

(h) No Owner shall be allowed to use the Common Area to conduct a business without the prior written permission of the Association.

Other Easements. In addition to the Owners' Common Area Easement, the Property shall be subject to the following:

Utility Easements. Notwithstanding any provision of this Declaration to the contrary, Declarant reserves the right to create, grant and transfer non-exclusive easements in, under, over, across, through, and upon the Property for the purpose of installing, maintaining, repairing and placing any utilities or related services, including, without limitation, to any gas, electric, water or sewer line, mains or laterals, any telephone and cable television lines, any heating or cooling installations, any master television antenna system, or for other public purposes consistent with the intended use of the Property under this Declaration. The foregoing easements shall include, without limitation, the right of ingress and egress, the right to erect and maintain the necessary pipes, poles and other equipment, subject to the restrictions of Section 7.18, and the right to enter into agreements relating to such utility services and easements; all of which shall be binding upon the Association and the Owners. Should any person or party furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant shall have the right to grant such easement on the Property without conflicting with the terms hereof. The foregoing easement shall be in addition to any other recorded easements on the Property, including, without limitation, any easements granted in the recorded subdivision map. Notwithstanding any other provision contained in this Section 2.5(a), no easements shall be granted pursuant to this Section 2.5(a) which shall unreasonably interfere with an Owner's use of his Unit. The rights reserved herein for Declarant shall pass to the Association upon the termination of the Development Period, and any and all of the covenants, terms, provisions, rights and duties arising from such easements granted by the Declarant and any related agreements shall thereupon pass to the Association and be assumed by it in place of the Declarant. Any consideration for any such easement shall be delivered to and become the property of the Association, whether the grant of easement was made by the Declarant or by the Association.

Maintenance Easement. A non-exclusive easement is hereby granted to the Association, its respective officers, agents, employees and assigns upon, across, over, in and under the Common Area and any Unit as may be necessary or appropriate to perform the duties and functions which it is obligated or permitted to perform pursuant to this Declaration or otherwise, including, without limitation, any maintenance required or permitted hereunder, any of Declarant's rights, inspection, maintenance, repair, replacement, construction or reconstruction of any facilities or utilities on or within the Common Areas and Maintenance Areas; provided, however, that entry into any Townhome in non-emergency situations shall only be made after providing reasonable written notice and during regular business hours, and, under emergency circumstances, shall only be made after such notice, if any, as is reasonable under the circumstances.

Emergency Easement. A non-exclusive easement is further granted to all police, fire protection, ambulance and all similar persons to enter upon the Property, including, without

limitation, all Units, Maintenance Areas and the Common Area, in the performance of their duties.

Common Wall Easement. Each Owner, his agents and contractors, are granted a non-exclusive easement for the purpose of maintenance, construction, reconstruction and repair, in, over, under and upon adjacent Units and in and upon adjacent Townhomes for purposes of common wall repair or maintenance, in accordance with Section 5.5 of Article V, upon reasonable notice to the Owners thereof. Any damage occasioned to the adjacent Unit or Improvements, including the Townhomes, thereon in exercising said easement shall be the responsibility of the Owner whose negligence or wrongful acts or omissions cause such damage.

Exterior Wall Easement. Each Owner, his agents and contractors, are granted a non-exclusive easement in, over, under and upon the adjacent Common Area for the purpose of maintenance, construction, reconstruction and repair of any exterior wall on such Owner's Unit; provided, however, that such Owner shall be liable for any damage to the Common Area, which shall be restored to its condition prior to such work.

Easement for Encroachments. If any part of the Common Area or any Common Area Improvement or structure encroaches upon a Unit or Units, a valid easement for such encroachment and for the maintenance of the same, so long as it stands, shall and does exist. If any portion of a Unit or any Townhome or other structure related thereto encroaches upon the Common Area, or upon any adjoining Unit or Units, a valid easement for the encroachment and for the maintenance of the same, so long as it stands, shall and does exist. In the event that a Townhome or structure related thereto is partially or totally destroyed, and then rebuilt, the Owners agree that minor encroachment of parts of the Townhome due to such construction shall be permitted and that a valid easement for said encroachments and the maintenance thereof shall exist. Encroachments referred to herein include, without limitation, encroachments caused by error in the original construction of any Townhome or related structure constructed on the Property, by error in the plat, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any portion thereof. Such encroachments and easements shall not be considered or construed to be title defects or encumbrances either on the Common Area or on the Units. In interpreting any and all provisions of this Declaration, subsequent deeds, Mortgages, or other security instruments relating to Units and Townhomes, the actual location of a Townhome, and related structures, shall be deemed conclusively to be the property intended to be conveyed, reserved or encumbered, notwithstanding any minor deviations, either horizontally, vertically or laterally, from the location of such Unit, Town home, and related structure, as indicated on the plat.

Easement for Foundations. Owners of adjoining Units shall have mutual easements of horizontal and vertical support for the foundations on which adjacent walls of their Improvements rest, and similar easements for support from the Common Area, and for the benefit of the Common Area shall also exist.

Easement for Ingress and Egress. Subject to the provisions of this Declaration, each Owner, his agents and guests are hereby granted a perpetual, non-exclusive easement, over any streets, roadways, driveways, and sidewalks, which are located upon the Common Area, for the purpose of vehicular and pedestrian ingress to and egress from such Owner's Unit. If any of the streets or roadways upon the Property are private streets, Declarant shall have the right to relocate any portion of them, but only if it provides all Owners with reasonable access to their Units, and Declarant may also dedicate any portion of any private street or roadway upon the Property as a public right-of-way, in which case, if accepted by a public entity, the Association's obligations for repair and maintenance of the road shall cease.

Delegation of Use. Subject to the provisions of this Declaration and any rules or regulations which may be established from time to time by the Association concerning the Common Area, any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, his guests, or contract purchasers who reside on his Unit. Each Owner shall be liable for any damage done to the Common Area by his family, tenants, guests, or contract purchasers and for any breach of the Association's rules and regulations by such persons.

Non-Dedication of Common Area. Declarant, in recording this Declaration, has designated certain areas of land as Common Area intended for the common use and enjoyment of Owners for recreation and other related activities. The Common Area is not dedicated hereby for use by the general public but is dedicated to the common use and enjoyment of the Owners, as more fully provided in this Declaration.

Rights of Declarant Incident to Construction. An easement is hereby retained by and granted to Declarant, its successors and assigns, for access, ingress, and egress over, in, upon, under, and across the Common Area for the exercise of any special Declarant right hereunder or under the Act, including, without limitation, the right to store materials thereon and to make such other use thereof as may be reasonably necessary or incidental to Declarant's construction on the Property.

Easements Deemed Created. All conveyances of portions of the Property (including Units) hereafter made, whether by the Declarant or otherwise, shall be construed to grant and reserve the easements contained in this Article II, even though no specific reference to such easements or to this Article II appears in the instrument of such conveyance.

Recorded Easements. The Property, and all portions thereof, shall be subject to all recorded licenses and easements including, without limitation, any as shown on any plat, recorded now or hereafter, affecting the Property, or any portion thereof, and additionally subject to those recorded easements and matters shown or appearing of record as of the date of this Declaration.

Each Owner shall be jointly and severally liable to the Association for the payment of all Assessment, charges, fees and other sums attributable to him and/or his Unit. No Owner may waive or otherwise escape personal liability for the payment of the Assessments, charges, fees, fines and other sums provided for herein by non-use of the Common Area or the facilities contained therein, by abandonment or leasing of his Unit or by asserting any claims against the Association, the Declarant, or any other person or entity. In addition to the foregoing Assessments, charges, fees, fines and other sums, each Owner shall have the obligation to pay real property ad valorem taxes and special assessments imposed by Colorado governmental subdivisions

against his Unit, as well as all charges for separately metered utilities servicing his Unit. The charges for any utilities that are master metered shall be included in the Annual Assessments levied by the Association.

Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and to fulfill the purpose and obligation of the Association including, without limitation, improvement and maintenance of the Project and the Common Area, the Maintenance Area, and the Units as more specifically provided herein.

Annual Assessments. The Annual Assessment shall specifically include, without limitation, all Common Expenses as defined by the Act and the following:

- (a) expenses of management of the Project including management fees and the Association and its activities;
- (b) taxes and special assessments upon the Association's real and personal property including, without limitation, the Common Area and any Limited Common Area;
- (c) premiums for all insurance which the Association maintains as required or permitted under this Declaration together with any sums expended by the Association for the deductible under such policies as set forth in Article VIII and any other expenses connected with such insurance;
- (d) common lighting, water and other common utility and sewer service charges; and any other common expenses including, without limitation, snow removal from private streets, driveways and public and private sidewalks to the front door or entry courtyard, and common trash collection and security monitoring, if approved by the Board;
- (e) landscaping and care of the Common Area and any recreational or other Association facilities or Improvements located thereon;
- (f) such repairs and maintenance that are the responsibility of the Association;
- (g) wages for Association employees;
- (h) legal and accounting fees for the Association;
- (i) any deficit remaining from a previous Assessment year;

(j) a working capital fund;

(k) the creation of reasonable contingency reserves, surpluses, and sinking funds, and adequate reserve funds for maintenance, repairs and replacement of those elements of common property or maintenance that must be done or replaced on a periodic basis and are payable in regular installments, rather than by special assessments;

(l) the creation of reasonable contingency reserves for any applicable insurance deductibles; and

(m) any other costs, expenses, and fees which may be incurred or may reasonably be expected to be incurred by the Board, in its sole discretion, for the benefit of the Owners under or by reason of this Declaration. The Association shall also have authority, to the extent it deems proper, to provide any other services requested by particular Owners, but only on a contract basis under which those Owners pay the cost thereof. The Association may enter into cooperative arrangements for provision of services with other homeowner associations in the surrounding area and may assume responsibility for that part of the cost fairly attributable to this Project.

Special Assessments. In addition to the Annual Assessment authorized above, the Association may levy, in any assessment year, Special Assessments applicable to that year only for the purpose of defraying, in whole or in part, the cost of an emergency situation or of any construction, reconstruction, repair or replacement or a capital improvement upon the Common Area, including fixtures and personal property related thereto, and any Improvements and fixtures upon any Unit, provided that any such Special Assessment shall be ratified by the Owners pursuant to the process set forth in Section 4.6 below.

Individual Purpose Assessment. Any Common Expenses or portion thereof benefiting fewer than all of the Units may be assessed by the Board exclusively against the Units benefited as an "Individual Purpose Assessment." As an example, but not by way of limitation, the costs of maintenance, repair and replacement of optional exterior upgrades to a Townhome (such as a pergola) shall be assessed against that particular Unit as an Individual Purpose Assessment. At the Board's discretion, the Association may levy such Individual Purpose Assessment as a contingency reserve (thereby increasing such Unit's Annual Assessment) to provide for the future maintenance, repair and replacement of such upgrade items (so long as those reserve funds are segregated from the general reserve funds), and/or the Association may levy the Individual Purpose Assessment as a Special Assessment against the applicable Unit or Units at the time the expenditure is made.

The Board in its sole discretion shall make the determination if an Assessment shall be an Individual Purpose Assessment levied against fewer than all of the Owners. However, all Assessments for the regular planned maintenance, repair and replacement of the Common Areas and the Maintenance Areas (other than optional exterior upgrades) shall be a general assessment against all Units even though such maintenance, repair and replacement work may be accomplished in phases benefiting fewer than all of the Owners at any given time.

Determination of Budgets. The total amount required to be raised by the Assessments shall be determined by the Board at least once a year and shall be based upon an annual budget to be approved by the Board and adopted by the Association annually showing, in reasonable detail, the various matters proposed to be covered by the budget, the estimated costs and expenses of the Association, an amount deemed necessary or desirable as a contingency reserve and the total amount required to be raised by Assessments to cover such estimated costs and expenses and contingency reserve. The budget shall cover all costs and expenses expected to be incurred by the Association in performing its functions, or in providing services required or permitted under this Declaration, including, without limitation, all expenses required to adequately operate and maintain the Common Areas, insurance and taxes. The budget may be revised as necessary from time to time. Assessments may be raised or lowered by the Board as required to meet such revised budget. Without limiting the generality of the foregoing, it is expressly understood that the budget (and, accordingly, the Assessments) shall be subject to modification due to the annexation of property to the Property in accordance with the Declaration. Within ninety (90) days after adoption of any proposed budget for the Association, the Board shall mail, by ordinary first class mail, or otherwise deliver a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget not less than fourteen (14) nor more than sixty (60) days after mailing or other delivery of the summary. Unless at that meeting a majority (i.e., more than 50%) of all Owners reject the budget, the budget is ratified, whether or not a quorum is present. In the event that the proposed budget is rejected, the periodic budget last ratified by the Owners must be continued until such time as the Owners ratify a subsequent budget proposed by the Board.

Rate of Assessment. Except as provided herein, both Annual and Special Assessments shall be set at the Owner's Allocated Interest as shown on Exhibit C attached hereto, sufficient to meet the expected needs of the Association. If an Owner's Allocated Interest is reallocated due to expansion of the Project pursuant to Article X hereof or to other provisions of this Declaration, the Assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated Owner's Allocated Interest. Each Unit shall become subject to all Assessments upon its annexation into the Project, including those Units owned by the Declarant.

Assessment Procedure.

Annual Assessments. The annual budget shall be adopted pursuant to Section 4.6 herein. Any surplus funds of the Association remaining after the payment of or provision for Common Expenses and any prepayment of or establishment of contingency reserves shall be applied as the Board, in its sole discretion, determines appropriate. The Board shall not be required to credit or pay such surplus funds to the Owners. The Annual Assessment shall be payable in monthly installments on the first day of each successive month, unless the Board otherwise directs. The Association shall cause to be prepared, delivered or mailed to each Owner, at least thirty (30) days in advance of each Annual Assessment period, a payment statement setting forth the Annual Assessment. The Association shall levy the initial Annual Assessment upon the transfer of ownership of the first Unit to a person other than Declarant. Where the obligation to pay an Assessment first arises after the commencement of the year or other period for which the Assessment was levied, the Assessment shall be prorated, as of the date when said obligation first arose, in proportion to the amount of the assessment year or other period remaining after said date.

Special Assessments and Other Sums. Special assessments and other sums imposed hereunder shall be due and payable on the date specified by the Board in written notice to each Owner, but such date shall not be less than ten (10) days after such notice is sent. In the event that the Association incurs any expense or liability as a result of the willful, negligent or wrongful act of any Owner, his family, tenants or guests, or any breach by any of such parties of any of the provisions of this Declaration, the Association's Bylaws or the Association's rules and regulations, and the same is not paid for by insurance, the cost thereof, after notice to the Owner and a reasonable opportunity to be heard, may be deemed to be a Special Assessment against such Owner and his Unit and shall be enforceable as provided herein. Any such sum imposed by the Board as provided hereunder shall also be deemed a Special Assessment but shall not require a vote of the Owners as provided by Section 4.4 herein.

Notice. Failure of the Board to give timely notice of any Assessments provided herein shall not affect the liability of the Owner or his Unit for such Assessment, but if notice is not given, the date when payments shall be due shall be deferred to a date after such notice is given.

Certificate of Payment. Upon the payment of such reasonable fee as may be determined from time to time by the Board, and upon written request, the Association shall furnish to an Owner or such Owner's designee or to a holder of a security interest or its designee, delivered personally or by certified mail, first-class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid Assessments currently levied against such Owner's Unit. The statement shall be furnished within fourteen (14) calendar days after receipt of the request and is binding on the Association, the Board, and every Owner. If no statement is furnished to the Owner or holder

of a security interest or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert a lien upon the Unit for unpaid Assessments which were due as of the date of the request. Said certificate may be relied upon by all persons acting in good faith, as conclusive evidence of the payment of any Assessments therein stated to have been paid. The Association shall keep financial records sufficiently detailed to enable the Association to provide the certificates of Assessments described herein.

#### Effect of Non-Payment of Assessments-Remedies of the Association.

General. Any Assessments that are not paid when due shall be delinquent. If any Assessment is not paid when due, the Association may impose a late charge/administrative fee not to exceed the amount set forth in the Association's rules and regulations. Any Assessment not paid within thirty (30) days after the due date thereof shall bear interest from the due date at the rate of twenty-one percent (21%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against such Owner's Unit, and/or may suspend the delinquent Owner's right to vote and the right to use any recreational facilities within the Common Area for any period during which any Assessment against his Unit remains unpaid. In the event a judgment is obtained, such judgement shall include interest on the Assessment as above provided, and a reasonable attorney fees to be fixed by the court, together with the expenses, late charges, and costs of the action.

Lien. Any unpaid Assessment, charge, fee or other sums assessed against an Owner or his Unit, including, without limitation, with interest thereon at the rate of twenty-one percent (21%) per annum, late charges, court costs, and other collection costs and reasonable attorney fees, and an administrative charge not to exceed the amount set forth in the Association's rules and regulations, shall be a charge on the land and shall be a continuing lien, from and after the levy or Assessment thereof, in favor of the Association, upon the Unit against which each such Assessment, charge, fee or other sum is made. All payments on account shall be first applied to interest, the late charge, any costs or fees, and then to the Assessment payment first due. The Board may enforce such lien by filing with the Clerk a statement of lien with respect to the Unit, setting forth the name of the Owner, the legal description of the Unit, the name of the Association and the amount of delinquent Assessments then owing. Such a claim of lien shall also secure all Assessments, charges, fees and sums which come due thereafter until the lien, together with all costs, attorney fees, administrative charges and interest have been fully paid or otherwise satisfied. The Board may foreclose the lien in the same manner as provided for in the foreclosure of mortgages under the statutes and laws of the State of Colorado. Foreclosure or attempted foreclosure by the Association of its lien shall not be deemed to estop or otherwise preclude the Association from suing the Owner personally therefor or from thereafter again foreclosing or attempting

to foreclose its lien for any subsequent Assessments, charges, fees or other sums which are not fully paid when due. Except to the extent that the lien of the Association is subordinated to the lien of a First Mortgage on a Unit pursuant to Section 4.11 of this Article and except as subordinated by law to the lien of real property taxes, the lien of the Association shall be deemed to have a priority date as of the date of the recording of this Declaration and shall priority over all other liens and encumbrances against a Unit. Any recorded lien may be released by recording a Release of Lien executed by an officer or authorized agent of the Association. In addition, the Association shall have the right to a statutory lien under C.R.S. § 38-33.3-316.

Authority. Each such Owner, by his acceptance of a deed to a Unit, hereby expressly vests in the Association or its agents the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Owners. The Association, acting on behalf of the Owners, shall have the power to bid at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same, if acquired by the Association at the foreclosure sale or by deed of trust in lieu of foreclosure. The Association shall also have the right to the appointment of a receiver for the Unit, ex parte, without notice to the Owner. Such receiver shall have the right to lease the Unit and to collect all rents and profits from the Unit during the pendency of the foreclosure.

Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of a First Mortgage recorded before the delinquent Assessment was due, except as provided by the Act, specifically, C.R.S § 38-33.3-316(2)(b) (I). Sale or transfer of any Unit shall not affect the lien of said Assessment charges except that sale or transfer of any Unit pursuant to foreclosure or any such mortgage or any such executory land sales contract, or any proceeding in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract shall extinguish the lien of Assessment charges which became due prior to any acquisition of title to such Unit by the First Mortgagee pursuant to any such sale or transfer, or foreclosure, or any proceeding in lieu thereof, including, without limitation, any deed in lieu of foreclosure, or cancellation or forfeiture of any such executory land sales contract; no such sale, transfer, foreclosure, or any above described proceeding in lieu or in cancellation thereof, shall relieve any Unit from liability for any Assessment charges becoming due after such acquisition of title, nor from the lien thereof, nor the personal liability of the Owner of such Unit for Assessments due during the period of his ownership of such Unit for Assessments due during the period of his ownership nor from the provisions of C.R.S. § 38-33.3-316.

Notice to First Mortgagee and Inspection of Books. Upon written request, a First Mortgagee shall be entitled to written notification from the Association of any default in the performance by the Owner of any obligation under this Declaration and/or the Bylaws of the Association, which is not cured within sixty (60) days after the Board has actual knowledge thereof, and the First Mortgagee may, at its option but without any obligation, cure such default. The Association shall make available to First Mortgagees current copies of the Declaration, Bylaws, other rules concerning the Project, and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances. The Association shall provide an unaudited, annual financial statement to any First Mortgagee making a written request for it and without expense to such First Mortgagee. The First Mortgagees shall be entitled to have an audited financial statement prepared at their expense if one is not otherwise available; said financial statement shall be furnished within a reasonable time following such request. First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any Association Common Area and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such Common Area, and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Homestead. The lien of the Association Assessments shall be superior to any homestead or other exemption as is now or may hereafter be provided by Colorado or federal law. The acceptance of a deed to a Unit subject to this Declaration shall constitute a waiver of the homestead exemption as against said Assessment lien.

Exempt Property. The following Property subject to this Declaration shall be exempt from the Assessments created herein: (a) all Property dedicated to and accepted by local public authority; and (b) the Common Area.

V.

## MAINTENANCE

Association Maintenance. Association shall provide such maintenance and repair in a first class condition as follows:

- (a) Paint, repair, replace, maintain and care for downspouts, downspout connections, driveways, and exterior building surfaces, including, without limitation, fences and gates constructed on the Common Elements, and patios and waterproof roofing membranes or other waterproof barrier designed, installed or intended to prevent water intrusion into the Units of the Townhomes, but excluding decks, glass surfaces, exterior light bulbs, hatches, doors (except for the Association's repainting

of the exterior surface of doors, if applicable), screens and windows, all of which shall be each Owner's responsibility unless otherwise determined in writing by the Board. An Owner shall not paint or change the appearance of the exterior of his Townhome without the prior written approval of the Board. The Association shall paint or re-stain the exterior of all Townhomes as often as necessary to keep such exterior attractive and in good repair.

(b) All repair, replacement, improvement and maintenance of the Common Area and the Maintenance Area, and all Improvements located thereon other than Improvements on the roof of a Townhome, including, without limitation, any landscaping, sprinkler system, any roadways, driveways, utility lines (including any common utilities within a Unit or Townhome which also serve another Townhome, and also any lines located outside of the exterior walls of a Townhome but not including any maintenance which is the responsibility of any public or private utility company or entity), any drainage structures or facilities of public improvements to the extent applicable and set forth in C.R.S. § 38-33.3-307(1.5), all water lines located within the private streets within the Project and other portions of the Common Area, any light fixtures, sidewalks, and pathways, or other Improvements located on the Common Area. Except as provided herein, an Owner shall keep Limited Common Areas cleaned and in good condition; provided, an Owner shall not alter, paint, change, modify, expand, restrict, remove or construct such Improvements nor otherwise modify the Common Area or the Maintenance Area of the exterior appearance of the Unit, nor shall any Owner install fences or other Improvements on such areas, without the prior written approval of the Architectural Review Committee.

(c) Repair and replacement of any buildings or Improvements upon the Unit insofar as the Association receives insurance proceeds or makes a Special Assessment to accomplish such repair or replacement.

(d) The Association shall maintain the landscaping, drainage, and sprinkler systems in such a fashion that the soil surrounding the foundations of the buildings and other Improvements shall not become so saturated with water that they cause expansion or shifting or the soils supporting the Improvements or other damage to the Improvements and do not impede the proper functioning of the drainage, landscaping or the sprinkler system as originally installed. Such maintenance shall include, where necessary, the removal or replacement of improperly functioning landscaping, drainage, or sprinkler system elements and shall also include preventing ponding and regrading and resurfacing where necessary to provide for adequate drainage and preventing Owners from installing landscaping or using water on the Units in such a way as to endanger the structural integrity or the stability of any of the landscaping, drainage or sprinkler systems, the Townhome or the other Improvements upon the

Units or Common Area. The Association shall indemnify the Declarant as to any breach of this provision.

The Association may also undertake, but shall have absolutely no obligation to undertake, such emergency repairs as the Board believes necessary to prevent imminent danger to life or property.

Willful or Negligent Damage. In the event that the need for maintenance or repair described in Section 5.1 of this Article is caused, in the sole discretionary determination of the Board, after providing notice to the Owner and an opportunity to be heard; through the willful or negligent acts or omissions of any Owner, his family, guests, tenants, contractors, or invitees, or other persons or parties acting with the consent of any of the foregoing, including, without limitation any pets or animals of those persons or parties, the cost of such maintenance shall be the personal obligation of such Owner, shall be added to and become part of the Assessment to which the Unit of such Owner is subject, and shall become a lien against such Owner's Unit as provided in Article IV of this Declaration.

Access at Reasonable Hours. For the purpose of performing the maintenance referred to in Section 5.1 of this Article and inspections related thereto, the Board, through its duly authorized agents, contractors or employees shall have the right, after reasonable notice to the Owner or occupants thereof and during regular business hours, to enter upon any Unit and Improvements thereon, and such entry shall not be deemed a trespass. In emergency situations, the Board or its agents, contractors or employees may enter without notice at any time, but the Owner or other occupants thereof shall be notified as soon as reasonably possible thereafter. In performing repairs or maintenance authorized under this Article, the Association shall not be liable for any loss, cost or damage caused by its action, except of its gross negligence or willful misconduct.

Owner Maintenance. Except as provided in Section 5.1 of this Article, the Owner shall be responsible for all other maintenance and repairs, including, without limitation, maintenance of his Unit, Townhome, and any fixtures, furnishings, equipment and appliances located thereon. All utilities, fixtures and equipment installed within a Townhome, commencing at a point where the utility lines, pipes, wires, conduits or systems enter the exterior walls of such Townhome, shall be maintained and kept in repair by the Owner thereof, except for any common utilities serving other Townhomes which shall be the Association's responsibility as provided in Section 5.1 of this Article. An Owner shall do no act or any work that will impair any easement or utility service, nor do any act nor allow any condition to exist which will adversely affect the use and enjoyment of the other Units or the provision of utility services to such Units. No Owner shall, in whole or in part, change the landscaping adjacent to or upon his Unit by the addition or removal of any items thereon, including fences, without the prior written approval of the Board. If Owner fails to fulfill his

responsibilities under this section, the Board, at its option, may take such action as it deems appropriate, including, without limitation, performing the Owner's obligations, after ten (10) days' notice to such Owner, except in emergencies, and any costs resulting therefrom shall be an Assessment against such Owner and his Unit and shall be due and payable by the Owner thereof.

#### Party Walls.

General Rules of Law to Apply. Each wall which is built as a part of the original construction of the Townhomes and placed on or immediately adjacent to the dividing line between the Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty and if the Association does not restore such wall with insurance proceeds or a Special Assessment, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Weatherproofing. Notwithstanding any other provisions of this section, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this section shall be appurtenant to the land and shall pass to such Owner's successors in title.

Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Section 5.5, each party shall choose one arbitrator, and such arbitrators shall choose an additional arbitrator, and the decisions shall be by a majority of all the arbitrators. Should any party refuse to appoint an arbitrator within ten (10) days after written request therefor by an Owner, the Board shall select an arbitrator for the refusing party. The parties to the arbitration shall share the costs thereof, but each party shall pay its own attorney fees.

Management Agreements and Other Contracts. The Association may enter into agreements for professional management of the Association's business. Each Owner shall be bound by the terms and conditions of any management agreement entered into by the Association. Any agreement for professional management of the Association's business shall provide for termination by either party with or without cause and without payment of a termination fee upon thirty (30) days' prior written notice, and shall have a maximum term of one (1) year. Further, each and every management contract made between the Association and a manager or managing agent during the period when the Declarant or other developer controls the Association shall be subject to review and approval by the Department of Veterans Affairs or the Federal Housing Administration and shall terminate absolutely, in any event, not later than thirty (30) days after termination of the Period of Declarant Control. Furthermore, any contracts and leases during the Period of Declarant Control shall be subject to C.R.S. § 38-33.3-305. If professional management has been previously in effect after being required by any holder, insurer or guarantor at that time or later, any decision to terminate professional management and to establish self-management by the Association shall require the prior consent of sixty-seven percent (67%) of the Eligible Mortgagees (based upon one (1) vote for each Eligible Mortgagee held) and vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are attached, who are voting in person or by proxy at a meeting duly called for that purpose.

VI.

#### ARCHITECTURAL REVIEW

Composition of Committee. The Architectural Review Committee shall consist of three (3) persons appointed by the Board, which may appoint itself to be the Committee; provided, however, that until the Development Period terminates, Declarant shall have the right to appoint the Architectural Review Committee. A majority of the Committee may designate a representative to act for it. It shall be the duty of the Architectural Review Committee, and it shall have the power, by the exercise of its best judgment, to determine that all structures, Improvements, construction, decoration and landscaping on the Property conform to and harmonize with the existing surroundings and structures. For convenience, the Architectural Review Committee shall hereinafter sometimes be referred to in this Article as the "Committee".

Review by Committee. After the purchase of a Unit from the Declarant, no Improvements shall be constructed or maintained upon the Property; no alterations to restaining or repainting of the exterior of a Townhome or Unit shall be made; no landscaping performed; and no Owner shall enclose, by means of screens, fences or otherwise any Unit, balcony, porch or patio, unless the following, if applicable, shall have been submitted to and approved in writing by the Committee: complete plans, specifications, and Unit plans therefor, showing the exterior design, height, square footage, building materials and color

scheme thereof, the location of the structure plotted horizontally and vertically, the location and size of driveways, the general plan of landscaping, fencing, walls and windbreaks, and grading plan. A copy of such plans and specifications as finally approved shall be deposited with the Committee. The provisions of Sections 6.1, 6.2 and 6.3 of this Article shall not apply in any way or manner whatsoever to the Declarant or any Unit owned by Declarant.

Procedures.

(a) Any Owner who submits a matter to the Committee for approval shall be required to pay to the Committee, at the time the request is submitted, the then applicable application fee, which fee shall be as established from time to time by the Committee. The application fee shall be \$100.00 as of the date of recording of this Declaration and shall be subject to change by the Committee from time to time. The Committee shall approve or disapprove all plans and requests within sixty (60) days after requests have been submitted. In the event the Committee fails to take action within sixty (60) days after plans have been received by the Committee, approval will not be required, and this Article will be deemed to have been fully complied with. A majority vote of the members of the Committee is required for approval or disapproval of proposed Improvements. The Committee shall maintain written records of all applications submitted to it and of all action taken. In approving or disapproving the plans submitted to it, the Committee shall take into consideration the design, style and construction of the proposed Improvements or alteration, its location upon the Property, the harmony of its design, architecture and location with the terrain and surrounding neighborhood, and shall determine whether such proposed Improvements or alteration is consistent with the general terrain, the architecture of other Improvements located upon the Property subject to this Declaration and whether or not the construction or alteration of said Improvements will adversely affect or decrease the value of other Units and/or dwellings because of its design, location, height or type of material used in construction. The Committee may make reasonable requirements of the Unit Owner, including the submission of additional plans, to ensure conformance of such Improvements or alteration when erected with these restrictions and covenants and with the plans submitted and approved. All construction or alterations performed on any Unit or the Common Area will conform to the approved plans and specifications. The Committee may require such changes as may be necessary to conform to the general purposes as herein expressed. The Committee shall be responsible for enforcing compliance of the approved plans with these covenants and restrictions.

(b) The Committee shall have authority to grant variances from the provisions of this Declaration in cases of conditions wherein the strict enforcement of

these restrictions would result in unusual hardship. The Committee shall be the sole and exclusive judge of whether or not said hardship exists.

(c) Whenever the Committee disapproves of any proposed plans or specifications, it shall state in writing its reason for such disapproval in general terms so that the objections can be met by alterations acceptable to the Committee.

(d) All plans submitted to the Committee shall be left on file with the Committee.

(e) It is the intent of this Declaration that the Committee shall exercise broad discretionary powers hereunder and its decisions shall be final and conclusive except for an arbitrary abuse of its discretion or an excess of its authority.

(f) The Committee shall resolve all questions of interpretations under this Article. They shall be interpreted in accordance with their general purposes and intent as herein expressed.

(g) If the Committee denies or disapproves a request or submission under this Article, such matter may not be resubmitted to the Committee for one (1) year following the date of the denial or disapproval, unless the Committee consents in writing to the re-submittal and if resubmitted without the approval of the Committee, such request shall be automatically deemed denied. The Committee may in its sole discretion waive this requirement to permit resubmission of plans and specifications with revisions to conform with matters identified by the Committee in its disapproval of the originally submitted plans and specifications.

(h) In the event that a request or submission is approved, construction shall promptly commence and shall be completed within one (1) year after the date of approval. All construction shall be in strict compliance with the approved plans and specifications.

(i) The approval of the Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent to any similar proposals, plans and specifications, drawings or matter subsequently or additionally submitted for approval or consent.

(j) The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

(k) Decisions concerning the approval or denial of an application for architectural or landscaping changes shall be made in accordance with standards and procedures set forth in the Declaration or in duly adopted rules and regulations or bylaws of the Association, and shall not be made arbitrarily or capriciously.

Declarant Can Remedy Violations. The Committee, may give notice to the Owner of the Unit where a violation of the Governing Documents occurs or which is occupied by the persons causing or responsible for the violation, which notice shall state the nature of the violation, and the intent of the Committee to invoke this section unless within a period stated in the notice (not less than ten (10) calendar days), the violation is cured and terminated or appropriate measures to cure and terminate are begun and are thereafter continuously prosecuted with diligence. If the violation is not cured and terminated as required by the notice, the Committee or Declarant (whichever gives the notice) may cause the violation to be cured and terminated at the expense of the Owner or Owners so notified, and entry on Owner's property as necessary for such purpose shall not be deemed a trespass. Each Owner of a Unit hereby grants a license to the Declarant and the Committee for the purpose of entering on a Unit to remedy violations or breaches of the Governing Documents. The cost so incurred by the Committee or Declarant shall be paid by the Unit Owner and the person responsible for the breach and if not paid within thirty (30) days after such Owner has been sent notice of the amount due, such amount, plus interest at the rate of twenty-one percent (21%) per annum and costs of collection, shall be a lien on the ownership interest in the Unit (including Improvements thereon) and shall in all respects be the personal obligation of the Owner. The Committee or Declarant may bring an action at law for recovery of the costs so incurred by it, plus interest and costs of collection against the Owner and may bring an action to foreclose the lien against the Unit and Improvements subject to the lien and there shall be added to the amount of such obligation the costs of collection, and the judgment in any such action shall include interest as above provided and the costs of collection. The foregoing specified rights and remedies shall not limit the right of any Unit Owner to enforce the Governing Documents pursuant to Section 12.2 or as otherwise may be provided by law or equity; provided, however, that only the Declarant and the Committee shall have the right to proceed under this Section 6.5. In the event that the Declarant or Committee elect to exercise the right to enter upon a Unit to remedy a violation of these Covenants, they shall not be liable to the Owner of the Unit for any loss or damage occasioned by the entry on the Unit unless damage is caused to the Unit or Improvements thereon that is unrelated to the remediation of the breach of the Governing Documents and is caused by the willful and wanton acts of the Declarant or Committee. In no event shall there be any liability for damage to a structure that is in violation of the Governing Documents.

## VII.

### RESTRICTIONS

General Plan. It is the intention of the Declarant to establish and impose a general plan for the improvement, development, use and occupancy of the Property, all thereof in order to enhance the value, desirability, and attractiveness of the Property and serve and promote the sale thereof.

Leases. Any lease agreements between an Owner and a tenant shall provide that the term of such lease shall be subject in all respects to the provisions of this Declaration and the Articles of Incorporation and Bylaws of the Association, and that any failure by tenant to comply with the terms and provisions of such documents shall be a default under the lease. Further, all leases shall be in writing, and the Board may require the use of its approved form or the insertion of particular provisions, and a copy of any lease shall be provided to the Board by the Owner. After notice and an opportunity for hearing, the Board may require an Owner to evict any tenant who has repeatedly violated any provision of this Declaration, the Articles of Incorporation or the Bylaws. No time-sharing or such other forms of interval Ownership shall be permitted. This Section 7.2 shall also apply to all vacation rental by owner (VRBO), air bed and breakfast (Airbnb), and other short-term rental agreements relating to a Unit.

Residential Use. Each Unit shall be occupied and used as a private dwelling for the Owner, and members of his family, guests and tenants for residential purposes only. Other than the rental of private dwellings for residential purposes, no Unit shall be used for any business, manufacturing or commercial purpose; provided, however, if the appropriate zoning so allows and if prior written approval of the Board is obtained, an Owner may use a specifically designated portion of his Unit as a home business office, which approval may thereafter be withdrawn or terminated by the Board at any time.

Animals. Each Unit shall be entitled to a maximum of no more than two (2) dogs or cats (or one of each) and a reasonable number of other "Household Pets" (meaning generally recognized household pets such as fish, birds, rodents, and non-poisonous reptiles), so long as such dogs, cats and other Household Pets are not kept for any commercial purpose, are not kept in unreasonable numbers, do not cause an unreasonable amount of noise or odor, and do not otherwise become a nuisance or threat to other Owners or occupants. Permitted dogs, cats and other Household Pets must be fenced or restrained at all times within the Owner's Unit, and shall not be permitted outside such Unit except when leashed and accompanied by the pet's owner or the owner's representative. All dogs, cats, and other Household Pets shall be properly immunized and otherwise maintained and cared for as required by applicable laws. The Owner of a Unit where a dog, cat or other Household Pet is kept, as well as the legal owner of the pet (if not such Owner), shall be jointly and severally liable for any and all

damage and destruction caused by the pet, and of any clean-up of the Owner's Unit and of the streets, sidewalks, Common Area, or other Units necessitated by such pet. The Board shall be responsible for enforcing the restrictions set forth in this Section 7.4, and shall have, and is hereby given, the right and authority to determine in its sole discretion that dogs, cats and other Household Pets are being kept for commercial purposes, or are being kept in unreasonable numbers, or are causing an unreasonable amount of noise or odor, or are otherwise a nuisance or threat to the Owners or occupants, or that a Unit, Owner or occupant is otherwise in violation of this Section 7.4, and to take such action or actions as it deems reasonably necessary to remedy the violation, including, without limitation, the levying of fines or assessments. Also without limiting the generality of the foregoing, the Board may require the owner or custodian of a dog that barks or howls excessively, or a dog, cat or other Household Pet with other offensive habits or threatening behavior, to confine such animal indoors, or to permanently remove such animal from the Property. Further, the Board may institute such rules as it deems advisable for the control of pets, including, without limitation, prohibitions and restrictions (including the right to establish further limits on the number, weight and size of the pets that may be kept, and the right to prohibit particular breeds of dogs in order to comply with the Association's liability insurance requirements).

Structures. All buildings or structures erected upon the Property shall be new, and no pre-fabricated buildings or structures shall be moved from other locations onto the Property. No temporary house, trailer, tent, shed, garage or outbuilding shall be placed or erected upon any Unit, and no residence placed or erected upon any Unit shall be occupied in any manner at any time prior to its being fully completed in accordance with approved plans, nor shall any residence when completed be in any manner occupied until made to comply with all requirements, conditions, and restrictions herein set forth; provided, however, that the foregoing shall not apply to the Declarant. The work of constructing, altering, or remodeling any structure on any part of any Unit shall be prosecuted diligently from the commencement thereof until the completion thereof.

Signs and Other Miscellaneous Structures. With the exception of one entry/identification sign per Unit during the period of actual construction on the Unit, no sign, poster, billboard or advertising device of any kind shall be allowed or displayed upon any Unit or any Common Area within the Project except: (a) such signs as may be used by the Declarant or builders approved by Declarant in connection with the development, marketing and sale of Units in the Project; (b) such signs as may be required by legal proceedings, or the prohibition of which is precluded by law, including, without limitation, signs intended to influence the outcome of an election, the recall of a public official, or the passage of a ballot issue to the extent required by the Act; (c) such signs as may be required for traffic control and regulation of the Common Area; (d) neighborhood monuments (e.g., entrance and directional signs); (e) one security company sign; and (f) one "For Sale" or "For Rent" sign on any Unit. The Board may adopt reasonable rules regulating the location, placement and

display of all signs in compliance with the Act. All types of refrigerating, cooling or heating apparatus shall be concealed, except as installed by the Declarant.

Units to be Maintained. Each Unit at all times shall be kept in a clean, sightly, and wholesome condition. No trash, litter, junk, boxes, containers, bottles, cans, implements, machinery, lumber or other building materials shall be permitted to remain exposed upon any Unit so that same are visible from any neighboring Unit or street, except as necessary during the period of construction by Declarant. The Board may regulate by rule the color and appearance of drapes, shades, blinds and window coverings. Notwithstanding the foregoing, this Section 7.7 shall not prohibit the display of the American flag or of a military service flag as provided by C.R.S. § 38-33.3-106.5 of the Act. The Board may adopt reasonable rules regulating the location, placement and display of such flags in compliance with the Act.

Fences. On Units where boundary fences are permitted, the fences shall be no taller than forty-two (42) inches and may only be constructed upon the prior written approval of the Committee. On Units where privacy fences, security fences, and fences for screening purposes are permitted, such fences may only be constructed upon the prior written approval of the Committee. The Committee shall have the right to designate the specific type, material and style of all fences installed on the Property, along with the dimensions and locations for such fences.

Units Not to be Subdivided. No Unit or Units shall be subdivided, except for the purpose of combining portions with an adjoining Unit, provided that no additional building site is created thereby. No less than one entire Unit, as conveyed, shall be used as a building site. Upon two or more Units being combined into a single Unit, the Owner thereof shall continue to be responsible for all Assessments related to each Unit so combined and not merely the resulting “combined Unit.” Such Owner shall also continue to have the votes related to each Unit so combined.

No Noxious or Offensive Activity. No noxious or offensive activity shall be carried on upon any Unit nor shall anything be done or placed on any Unit that is or may become a nuisance or cause embarrassment, disturbance, or annoyance to others.

No Antennae or Devices. Except as may otherwise be permitted by the Architectural Review Committee, no exterior radio antenna, television antenna, or other antenna, satellite

dish, or audio or visual reception device of any type shall be placed, erected or maintained on any Unit or the Common Area; provided, however that any such devices may be erected or installed by the Declarant during its sales or construction in the Project. Notwithstanding the foregoing, neither the restrictions nor the requirements of this section shall apply to antennas (which may include some satellite dishes and other devices) that are specifically covered by the Telecommunications Act of 1996, as amended from time to time. As to antenna which are specifically covered by the Telecommunications Act of 1996, as amended, the Association shall be empowered to adopt rules and regulations governing the types of antenna that are permissible hereunder and, to the extent permitted by the Telecommunications Act of 1996, as amended, establishing reasonable, non-discriminatory restrictions relating to appearance, safety, location and maintenance.

No Hazardous Activities. No activities shall be conducted on the Property and on Improvements constructed on the Property which are or might be unsafe or hazardous to any person or property or might cause the cancellation or diminution of insurance or an increase in insurance premiums. Without limiting the generality of the foregoing, no firearms shall be discharged upon any of the Property and no open fires shall be lighted or permitted on the Property except in a contained barbeque unit while attended and in use for cooking purposes or within a safe and well-designed interior fireplace or except such campfire or picnic fires in an area designated for such by the Association.

No Annoying Light, Sounds or Odors. No light shall be emitted from any Unit that is unreasonably bright or causes unreasonable glare; no sound shall be emitted on any Unit that is unreasonably loud or annoying; and no odor shall be emitted on any Unit that is noxious or offensive to others.

Restrictions on Parking and Storage.

(a) Except as specifically authorized by the Board, no part of the Property, including, without limitation, public or private streets, drives, or parking areas, and no part of the streets adjoining the Property shall be used as a parking, storage, display, or accommodation area for any type of house trailer, camping trailer, boat trailer, hauling trailer, running gear, boat, or accessories thereto, trucks larger than one (1) ton, bus, or self-contained motorized recreational vehicle, except as temporary expedience for loading, delivery, or emergency. This restriction, however, shall not restrict trucks or other commercial vehicles within the Property that are necessary for the construction of Townhomes or the maintenance of the Common Area or Units or making deliveries or performing services. Notwithstanding the foregoing, the Association may not prohibit the parking of some motor vehicles by certain emergency service providers under the criteria set forth by the Act.

(b) No abandoned vehicles shall be stored or parked upon any part of the Property or any street adjoining the Property, but excluding any area designated for such purpose by the Board. In the event that the Board shall determine in its sole discretion that a vehicle is an abandoned vehicle, then a written notice describing the vehicle will be personally delivered to the Owner thereof (if such Owner can be reasonably ascertained) or will be conspicuously placed on the unused vehicle (if the Owner thereof cannot be reasonably ascertained, and if the unused vehicle is not removed within seventy-two (72) hours thereafter, the Board shall have the right to remove the vehicle at the sole expense of the Owner thereof. For the purpose of this section, an “abandoned vehicle” is any automobile, truck, motorcycle, motor bike, boat, trailer, camper, motor home, house trailer or other similar vehicle which has not been driven under its own propulsion, or has not been moved for a period of two (2) days or longer.

(c) The Board may make rules and restrictions regarding parking and vehicular traffic on the Property, and the Board may also designate any parking spaces as solely for the use of visitors or others, unless such spaces have been previously assigned by Declarant to an Owner, and may require that all Owners park their vehicles in their assigned parking spaces or inside their garages, rather than in driveways, streets or other parts of the Property. Owners are encouraged to park their vehicles in their garage in order to preserve the property values. Garages are intended for the purpose of parking rather than storage. Neither Owners, tenants, guests, family nor other invitees shall park within or obstruct any prohibited area, including, without limitation, any fire lane. Any vehicle or other item that is parked in violation of any rules or restrictions shall be subject to immediate removal by the Board or its agents at the expense of the Owner of such vehicle. Notwithstanding any other provision contained herein, no vehicles of any type shall be parked on any private street within the Property.

Clotheslines and Storage. There shall be no outside clotheslines, except as shall be approved and permitted by the Association acting in accordance with C.R.S. § 38-33.3-106.7 of the Act. Basketball hoops (whether on buildings or free-standing), storage sheds, patio covers or similar structures, wood piles or outside storage areas shall not be allowed unless approved in writing by the Architectural Review Committee in its sole discretion. Service or storage areas shall be so located as not be visible from a street or road; there shall be no storage under any deck, unless or with the prior written approval of the Architectural Review Committee.

Garbage and Refuse Disposal. No garbage, refuse, rubbish or cuttings shall be deposited on any street, on the Common Area, or on any Units unless placed in an appropriate, clean container suitably located, solely for the purpose of garbage pick-up. all

trash and refuse containers, except when placed as noted above as the sole purpose of garbage pick-up, will be kept inside the Townhomes. The burning of trash in outside incinerators, barbeque pits or the like is prohibited, it being intended that all refuse, trash, garbage and the like shall be hauled from the Property.

Repair. No activity, including, without limitation, maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers, boats, or vans may be performed on any Unit unless it is done within completely enclosed structures located on the Unit that screen the sight and sound of the activity from the street and from adjoining Units and the Common Area. The foregoing restriction shall not be deemed to prevent washing and polishing of any motor vehicle, boat, trailer, or motor-driven cycle together with those activities nominally incident and necessary to such washing and polishing.

Tanks. No tanks of any kind, elevated or buried, shall be erected, placed or permitted upon any Unit, except for customary barbeque grill tanks or tanks inside of Townhomes.

Underground Electric Lines. All electric, television, radio and telephone line installations and connections which shall be placed on the Property after the recording of this Declaration shall be placed underground, except for power substations and switching stations which shall be adequately screened from view and except for customary surface devices for access or control and except that during the construction of a residence the contractor or builder may install a temporary overhead utility line which shall be promptly removed upon completion of construction and which shall be subject to Declarant's prior written approval .

Use of Common Area.

(d) No use shall be made of the Common Area that will in any manner violate the statutes, rules, or regulations of any governmental authority having jurisdiction over the Common Area.

(e) The use of the Common Area shall be subject to such rules and regulations as may be adopted from time to time by the Board.

(f) No use shall ever be made of the Common Area which will deny ingress and egress for a substantial period of time to those Owners having access to a public street, to their Units, to their parking areas, or to any recreational facilities completed upon the Common Area.

Sales and Construction Facilities and Activities of Declarant. Notwithstanding any provision to the contrary contained herein, Declarant, its agents, employees and contractors shall have all rights set forth in C.R.S. § 38-33.3-215 and shall be permitted to maintain during the Development Period upon such portion of the Common Area as Declarant may

choose, such uses and facilities as may be reasonably required, convenient or incidental to the construction, sale or rental of Units, and to the development of the Project, including, without limitation, the storage of equipment and vehicles, the use of the Common Area or one or more Units for sales offices, management offices, construction offices, storage areas, construction yards, model Townhomes (with typical model flood lights), parking areas (including temporary parking facilities for all prospective tenants or purchasers of Units); and the use of flags and signs of any size and type. In addition, Declarant, its agents, employees, lenders, and any contractor involved in the construction or sale of said Improvements and Units, or in the development of the Property, shall have all rights set forth in C.R.S. § 38-33.3-216, and shall have the right to ingress and egress over the Common Area as in Declarant's discretion may be necessary to complete the Project. Notwithstanding any provision of this section, no right under this section shall be exercised by Declarant in such a manner as to unreasonably interfere with the occupancy, use enjoyment, or access by any Owner, his family members, guests, or invitees, to or of that Owner's Unit, his parking area, any public street, or any recreational facility completed upon the Common Area.

Community Subject to Master Covenants. The Community is also subject to the Master Declaration of Covenants, Conditions and Restrictions for Redlands Mesa, as recorded in the real property records of Mesa County, Colorado, on July 17, 2000, at Reception No. 1957578, Book 2730, Page 66, as amended ("Master Covenants"). Further, Owners also shall be responsible for assessments and other amounts due under the Master Covenants.

## VIII.

### INSURANCE

Common Insurance. The Association shall obtain and maintain at all times, to the extent reasonably obtainable, insurance policies covering the following risks:

Casualty. A policy of property insurance covering the following: the Units and all insurable Improvements thereon including the Townhomes, except for the value of the land, foundation, excavation, and other items normally excluded; and all insurable personal property owned by the Association, and all insurable Improvements located upon the Common Area, together with all fixtures and appliances attached thereto except for the value of the land, foundation, excavation and other items normally excluded. Such policy shall include a "Replacement Cost Endorsement" providing that any claim will be settled on a full

replacement cost basis without deduction for depreciation, an “Inflation Guard Endorsement” and an “Agreed Amount Endorsement”. The Association may also purchase a “Demolition Endorsement” and “Increased Cost of Construction Endorsement” and/or a “Contingent Liability from Operation of Building Laws Endorsement” or the equivalent. Such insurance as maintained by the Association pursuant to this section shall afford protection against at least the following:

- (i) loss or damage by fire and other hazards covered by the standard all risk form, including, without limitation, endorsements for vandalism and malicious mischief, and
- (ii) such other risks as shall customarily be covered with respect to projects similar in construction, location and use.

Public Liability. Comprehensive general liability and property damage insurance in such limits as the Board may, from time to time, determine, but not in an amount less than \$500,000.00 for bodily injury, per person, per occurrence and umbrella liability limits of \$1,000,000.00 per occurrence covering claims for bodily injury and \$50,000.00 for property damage arising out of one occurrence or \$1,000,000.00 combined single limit coverage. To the extent reasonably obtainable, coverage shall include, without limitation, liability for personal injuries, operation of automobiles (whether owned, non-owned or hired) on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other use of the Common Area and the Townhomes by the Association, off-premises employee coverage, its officers, directors, agents, employees, representatives and the Owners, water damage liability, contractual liability, and liability for property of others.

The Association shall purchase, in an amount equal to the maximum amount of funds in the Association’s custody at any one time, but not less than the greater of either any sum required under C.R.S. § 38-33.3-306(3) or the sum of three (3) months’ Assessments on the entire Project, plus reserves, blanket fidelity insurance covering losses resulting from dishonest or fraudulent acts or omissions committed by the Association’s directors, managers, including, without limitation, any person employed as an independent contractor for the purpose of managing the Association and any employee thereof, trustees, employees, volunteers, or anyone who manages the funds collected and held for the benefit of the Owners, provided however, any managing agent which handles funds of the Association should be covered by its own fidelity insurance policy, which must provide the same coverage required of the Association. Such policy shall also cover

destruction or disappearance of money or securities and forgery. Such policy shall cover any person or entity handling funds of the Association, including, without limitation, employees of the professional manager, which should also be covered by its own fidelity bond and submit evidence thereof to the Association. Such fidelity coverage or bonds shall name the Association as the named insured and as obligee and shall contain waivers of any defense based upon the exclusion of persons who serve without compensation from any definition of “employee” or similar expression.

Officers’ and Directors’ Personal Liability Insurance. To the extent obtainable, appropriate officers’ and directors’ personal liability insurance shall be obtained by the Association to protect the officers and directors and the Committee from personal liability in relation to their duties and responsibilities in acting as such officers and directors on behalf of the Association.

Flood. If the Property is located in an area identified by the Secretary of Housing and Urban Development or the Director of the Federal Emergency Management Agency as an area having special flood hazards and the sale of Flood Insurance has been made available under the National Flood Insurance Act of 1968, a “blanket” policy of flood insurance on the Property in an amount which is the lesser of (i) the maximum amount of insurance available under the Act or (ii) the aggregate replacement value of the Improvements located upon the Property.

Other Insurance. In addition, the Board may obtain any other insurance against such other risks, of a similar or dissimilar nature, which the Board shall deem appropriate with respect to the Property.

Notice of Unavailability. If any insurance described in this Declaration is not reasonably available, or if any policy of such insurance is canceled or not renewed without a replacement policy therefore having been obtained, the Association promptly shall cause notice of that fact to be hand delivered or sent prepared by United States mail to all Owners and Eligible Mortgagees as provided herein.

Annual Review. At least annually and prior to obtaining any insurance policy required under Section 8.1 of this Article, the Board shall obtain an estimate of the full replacement value of all Improvements on each Unit, including all buildings, fixtures, improvements and service equipment located thereon, and of the Common Area Improvements including landscaping and underground facilities, without deduction for depreciation, for the purpose of determining the amount of insurance required under that section. The amount of such insurance shall be shown in the Association’s annual report. Upon written challenge by the Owners of twenty percent (20%) or more Units that the Association’s estimate of maximum replacement value is too low, the Association will secure a certified appraisal of replacement

value prepared by an M.A.I. appraiser and will conform the hazard insurance to the value indicated by that appraisal.

Form of Insurance.

(b) The property insurance shall be carried in blanket policy form, shall name the Association (pursuant to Article IX, Section 9.1) as the insured, as trustee and attorney-in-fact pursuant to Article IX hereof, and shall provide that the proceeds shall be paid to the Association for the benefit of and in trust for the Association, the Owners and their First Mortgagees, as their interests may appear, shall additionally insure and identify the interests of each Owner and the First Mortgagee, and shall provide a standard, non-contributory mortgage clause in favor of each First Mortgagee.

(c) To the extent possible, all insurance policies shall:

(i) be obtained from responsible companies duly authorized and licensed to do insurance business in the State of Colorado, and having at least a “8” general policyholder’s rating or a financial performance index of six (6) or better in the Best’s Key Rating Guide;

(ii) provide for a waiver of subrogation by the insurer as to claims against the Association, its directors, officers, employees, agents, its Owners and members of their households;

(iii) provide that the insurance cannot be canceled, invalidated, or suspended on account of the conduct of the Association, its officers, directors, employees and agents;

(iv) provide for a waiver of any defense based on co-insurance;

(v) provide that the policy of insurance shall not be permitted to lapse, be terminated, canceled or materially or substantially changed or modified without at least thirty (30) days’ prior written notice to the Association, the Owners and the Eligible Mortgagees;

(vi) provide that no act or omission by any Owner, unless acting within the scope of such Owner’s authority on behalf of the Association, will void the policy or be a condition to recovery under the policy;

(vii) provide that if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance; and

(viii) provide that no Assessments therefore may be made against First Mortgagees and any such Assessments made against someone other than First Mortgagees shall not become a lien on the Property superior to the First Mortgagee.

(d) On written request the Association shall furnish, by certificate or otherwise, a copy of any insurance policy, identifying the interest of the Owner in question, to any Owner or First Mortgagee, together with proofs of payment of premiums. Further, the Association may require the insurer to furnish to each Owner and First Mortgagee a certificate of insurance.

(e) Any insurance policy may contain such deductible provisions as the Association deems consistent with good business practice. Any loss falling within the deductible portion of the policy shall be borne by the Association, except as otherwise provided in this Declaration.

(f) The Association may adopt and establish written nondiscriminatory policies and procedures relating to the submittal of claims, responsibility for deductibles, and any other matters of claims adjustments. To the extent the Association settles claims for damages to real property, it shall have the authority to assess negligent Owners causing such loss or benefiting from such repair or restoration all deductibles paid by the Association. In the event that more than one Unit is damaged by a loss, the Association in its reasonable discretion may assess each Unit Owner a pro-rata share of any deductible paid by the Association.

Owner's Personal Property and Liability Insurance. An insurance policy issued to the Association does not obviate the need for Owners to obtain insurance for their own benefit. Each Owner shall be solely responsible, at his expense, for all insurance covering all loss or damage to any and all fixtures, appliances, furniture, furnishings or other personal property supplied, maintained or installed by the Owner and covering liability for injury, death or damage occurring within his Townhome. Such insurance shall contain waivers of subrogation and shall be so written that the insurance obtained by the Association shall be affected or diminished thereby. The Association shall have no responsibility regarding the obtaining or continuation of any such insurance. If at any time of any loss under any policy which is in the name of the Association there is other insurance in the name of any Owner and such Owner's policy covers the same property or loss, or any portion thereof, which is covered by such Association policy such Association policy shall be primary insurance not contributing with any of such other insurance.

IX.

DAMAGE, DESTRUCTION, CONDEMNATION AND MERGER

Attorney-in-Fact. All of the Owners and First Mortgagees irrevocably constitute and appoint the Association as insurance trustee under C.R.S. § 38-33.3-313(5) and (9) and under this Declaration and as their true and lawful attorney in their name, place and stead, for the purpose of dealing with the Property in the event of their destruction, damage, condemnation, or liquidation of all or a part of the Project or from the termination of the Project, including, without limitation, the repair, replacement and improvement of any buildings, fixtures, Improvements and service equipment located on the Property (but excluding any furniture, furnishings or other personal property installed by the Owners). Title to any Unit is declared and expressly made subject to the terms and conditions hereof, and acceptance by any grantee of a deed or other instrument of conveyance from the Declarant or from any Owner or grantor shall constitute appointment of the attorney-in-fact herein provided. As attorney-in-fact, the Association, by its president and secretary or assistant secretary or its other duly authorized officers and agents, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed, or other instrument with respect to the interest of an Owner which is necessary and appropriate to exercise the power herein granted and to represent the Owners in any proceedings, negotiations, settlements or agreements. The proceeds of any insurance collected shall be payable to the Association, for the benefit of the Association, the Owners and their First Mortgagee as their interests appear, for the purpose of repair, restoration, reconstruction or replacement as provided in this Declaration. In the event that the Association is dissolved or becomes defunct, a meeting of the Owners shall be held within thirty (30) days after either such event. At such meeting a new attorney-in-fact to deal with the Project upon its destruction, damage, or condemnation shall be appointed. Said appointment must be approved by vote or agreement of Owners to which at least sixty-seven percent (67%) of the votes in the Association are attached, who are voting in person or by proxy at a meeting duly called for that purpose, and at least sixty-seven percent (67%) of the Eligible Mortgagees. Notwithstanding any contrary provision of this Declaration, the Association's Articles of Incorporation and Bylaws, no Owner or any other party shall have priority over any rights of the First Mortgagee of the Unit pursuant to its Mortgage in the case of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of any Project common property.

Damage or Destruction of Common Area. Any portion of the Common Area for which insurance is required under C.R.S. § 38-33.3-313 which is damaged or destroyed must be repaired or replaced promptly by the Association, as provided by C.R.S. § 38-33.3-313(9).

Damage or Destruction of Townhomes.

(a) In the event of damage to or destruction of a Townhome, the insurance proceeds shall be applied by the Association, as attorney-in-fact to such reconstruction, and the Improvements shall be promptly repaired and reconstructed, subject to C.R.S. § 38-33.3-313(9) of the Act. The Association shall have full authority, right, and power as attorney-in-fact to cause the repair and restoration of the Improvements. The Annual Assessments set forth in Article IV shall not be abated during the period of insurance adjustments and repair and reconstruction.

(b) If the insurance proceeds are insufficient to repair and reconstruct any or all of the damaged or destroyed Townhomes, the cost of repair or replacement in excess of insurance proceeds and reserves shall be a Common Expense of the Association.

(c) Notwithstanding any provision to the contrary, but subject to C.R.S. § 38-33.3-313(9) to the extent applicable, if sixty-seven percent (67%) of the Eligible Mortgagees (based upon one (1) vote for each First Mortgage held) and the Owners to which at least sixty-seven percent (67%) of the votes in the Association are attached, including the vote of every Eligible Mortgagee and Owner of a Townhome that will not be rebuilt, who are voting in person or by proxy at a meeting duly called for that purpose or have given their prior written approval, vote not to rebuild, the Association shall provide that of any or all of the destroyed or damaged Townhomes shall forthwith be demolished and all debris and rubble caused by such demolition removed from the Unit, and the Unit regraded and landscaped to the satisfaction of the Board. The cost of such demolition work and landscaping, together with all taxes, liens and encumbrances and any costs in repairing any party walls, shall be paid for by any and all available insurance proceeds, with any deficiency thereof to be a Common Expense of the Association. Any excess insurance proceeds shall be distributed pursuant to C.R.S. § 38-33.3-313(9)(b) and said Owner shall convey merchantable title to his Unit to the Association, free and clear of all liens, encumbrances, Assessments, and taxes (except as prorated), for its fair market value as determined by a M.A.I. appraisal, the cost of which shall be paid by the Owner of the applicable Townhome, with the appraiser thereof to be named by the Association. Upon the Association's acquisition of the Unit, said Unit shall become part of the Common Area.

Condemnation. If a Unit, or any part thereof, is acquired by eminent domain, the provisions of C.R.S. § 38-33.3-107 shall apply. In the event proceedings are initiated by any government or agency thereof, seeking to take by eminent domain the Common Area, any part thereof or any interest therein, with a value (including loss of value to the balance of the Common Area thereon), as reasonably determined by the Association, in excess of \$5,000.00, the Association shall give prompt notice thereof, including a description of the

part of or the interest in the Common Area sought to be so condemned, to all Owners. The Association shall have full power and authority to defend in said proceedings, but the Association shall not enter into proceedings pursuant to which the Common Area or any part thereof or any interest therein, is relinquished without giving all Eligible Mortgagees of Units and all Owners at least fifteen (15) days' prior written notice thereof.

In the event, following such proceedings, there is such a taking in condemnation or by eminent domain of a part or all of the Common Area, the award made for such taking shall be paid to the Association as provided by C.R.S. § 38-33.3-107(3) and after the approval described below, the award shall be applied toward the repair and restoration of the Common Area, the Association shall arrange for the same and shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event that sixty-seven percent (67%) or more of the Owners and at least fifty-one percent (51%) of Eligible Mortgagees do not duly and promptly approve the repair and restoration of such Common Area, the Association shall disburse the net proceeds of such award jointly to the Owners and their respective First Mortgagees at the rate of one (1) equal share per Unit, except that any award attributable to the acquisition of a Limited Common Area shall be paid solely to the Owner thereof and that Owner's First Mortgagee.

Repair and Reconstruction. Unless otherwise agreed by sixty-seven percent (67%) of the Eligible Mortgagees (based on one (1) vote for each First Mortgage held) and by vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are attached, who are voting in person or by proxy at a meeting duly called for that purpose, any restoration or repair of the Project after a partial condemnation or damage due to an insurable hazard shall be performed substantially in accordance with this Declaration and with the original plans and specifications, and shall restore any Townhome or other Improvement partially condemned or damaged by an insurable hazard to substantially the same condition in which it existed prior to such condemnation or damage.

Excess Insurance Proceeds. With the prior written approval of sixty-seven percent (67%) of the Eligible Mortgagees (based on one (1) vote for each First Mortgage held) and by vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Association are attached, who are voting in person or by proxy at a meeting duly called for that purpose, any insurance proceeds remaining after any repairs or reconstruction are completed shall be paid to each Owner and his First Mortgagee jointly at the rate of one (1) equal share per Unit. Without such approval, any excess insurance proceeds shall be placed in the Association's reserves.

Notice of Loss to Eligible Mortgagee. In the event that there shall be any damage to or destruction of: (a) any Improvement on the Unit on which such Eligible Mortgagee holds the First Mortgage which shall be in excess of Five Thousand Dollars (\$5,000.00) and/or (b)

the Common Area which shall be in excess of Five Thousand Dollars (\$5,000.00), or in the event of the condemnation of any part of the Common Area as described in Section 9.4 of this Article in excess of Five Thousand Dollars (\$5,000.00), then timely written notice of any such damage, destruction or condemnation shall be given by the Association to such Eligible Mortgagee. Notwithstanding any provision to the contrary, no provision of this Declaration or of any other document relating to the Property shall be deemed to give an Owner or any other party priority over the rights of a First Mortgagee in the case of a distribution to an Owner of Insurance proceeds or condemnation awards for loss to or taking of Units or Common Area or both.

Merger. The Association may merge with one or more associations in the surrounding area on such terms and conditions as may be agreed to by vote or agreement of Owners of Units to which at least sixty-seven percent (67%) of the votes in the Associations are attached, who are voting in person or by proxy at a meeting duly called for that purpose, and by sixty-seven percent (67%) of all Eligible Mortgagees. The surviving entity in any such merger or affiliation shall be the Association for purposes of this Declaration.

#### PHASED DEVELOPMENT

Right to Expand. Declarant reserves the right to expand this Project during the Development Period without the approval of the Owners or First Mortgagees (except as provided in Article XI, Section 11.2) to include additional land and one or more additional buildings located upon all or any part of the Expansion Property; provided, however, that the total number of Units in the Project, as expanded, shall not exceed forty (40) Units, the total number of Units That May Be Created, and any additional buildings to be constructed shall be of comparable or greater cost or size in relation to those buildings existing on the Property at the time of expansion except for such alternations or modifications as may be approved by the Department of Veterans' Affairs or the Federal Housing Administration. By accepting a deed to a Unit, each Owner hereby grants to Declarant a right to expand the Project and to modify the Owner's Allocated Interest and right, title and interest in the Common Area accordingly, as set forth in this Article X, Article XI and Section 11.2 herein. Any expansion hereunder shall comply with C.R.S. § 38-33.3-209 and 210.

Procedure for Expansion. Such expansion may be accomplished by the filing for record by Declarant with the Clerk, no later than the expiration of the Development Period, an amendment or amendments to the Declaration containing a legal description of the land area to be added to the Project, together with any supplemental plats which may be required. Any such amendment or amendments to this Declaration shall also contain a listing of the number of Units to be contained in the expanded portion of the Project and shall assign an identifying number to each new Unit thereby created, shall reallocate each Owner's

Allocated Interest, and shall describe any Common Areas and, except as otherwise provided herein, any Limited Common Areas thereby created and designate the Units to which each is allocated to the extent required by C.R.S. § 38-33.3-208. The expansion may be accomplished in “phases” by successive amendments.

Effect of Expansion.

(a) In the event of such expansion, the definitions used in this Declaration shall automatically be expanded to encompass and refer to the Project as so expanded (e.g., “Property” shall mean the real property described in Exhibit A hereto plus any additional real property added by any amendment to this Declaration). Every Owner of a Unit in the Project shall, by virtue of such Ownership and upon recordation of the amendment, be a member of the Association and shall be entitled to the same rights and privileges and subject to the same duties and obligations as any other Association member. The recording with the Clerk of an amendment to this Declaration incident to any expansion shall operate automatically to grant, transfer and convey to all of the Owners of the Units, located within the Property and the part of the Expansion Property added thereby, their respective, appurtenant, undivided rights, titles, interests, privileges, duties and obligations in and to both the existing Common Area and the new Common Area, if any, added to the Property as a result of such expansion; provided, however, Assessments for Units within the annexed area shall commence as set forth in Section 4.1 of Article IV hereof, but no part of the Expansion Property shall be subject to Assessments or any provision of this Declaration until the annexation of that part is completed in accordance with the Article X.

(b) Upon recording of the amendment or amendments to this Declaration and any supplemental plat with the Clerk, the additional Units and Common Area shall be subject to the provisions of this Declaration.

(c) Until the expansion of the Project is accomplished by recording the amendment(s) to this Declaration and supplemental plat(s), the Expansion Property and any Improvements constructed thereon shall not be subject to this Declaration in any way whatsoever, including, without limitation, consideration for the purpose of apportioning Assessments or determining voting rights or privileges. If such expansion does not occur, nothing contained in this Declaration or otherwise shall restrict, impair, hinder, encumber or burden, in any way whatsoever, Declarant’s, or its successors’ or assigns’ sole and complete right, title and interest to the Expansion Property and any Improvements constructed thereon. The Declarant alone shall be liable for all expenses of the Expansion Property unless and until annexed hereunder, and shall be entitled to any income and proceeds therefrom. The Declarant’s right to

annex, and other development rights, may be exercised at different times and as to different portions of the Property or Expansion Property, and so no assurances are made hereby regarding the boundaries of any portion of real property which may be annexed hereunder nor the order in which said portion may be annexed. If the Declarant exercises any right to annex additional portions, the Declarant is not required to exercise any development rights to any and all portions of the remaining Property or Expansion Property. Any portion of the Property or Expansion Property may be designed as Common Areas or Limited Common Areas as shown by the plat or map that has been or will be recorded regarding that portion.

XI.

#### ADDITIONAL RESTRICTIONS

Restrictions Upon Association and Owners. Unless at least sixty-seven percent (67%) of the Eligible Mortgagees (based upon one (1) vote for each Unit encumbered by a First Mortgage) and the Owners (other than Declarant) by vote or agreement of Owners of Units of which at least sixty-seven percent (67%) of the votes in the Association are attached, have given their prior written approval, neither the Association nor the Owners shall be empowered or entitled to do any of the following:

(a) by act or omission, seek to abandon or terminate this Declaration or any scheme or architectural review, or enforcement thereof, as set forth in this Declaration, regarding the architectural design, exterior appearance, or exterior maintenance of the Units, Improvements thereon, or the Common Area, or the maintenance of the common property, party walls or common fences and roads, or the upkeep of lawns and plantings of the Project;

(b) by act or omission, seek to abandon, partition, subdivide, mortgage, encumber, sell or transfer any of the Common Area, except for the granting of utility easements as provided by Section 2.5(a) of Article II hereof; any conveyance or encumbrance of the Common Area shall also comply with voting requirements of C.R.S. § 38-33.3-312;

(c) fail to maintain full current replacement cost, fire, and extended insurance coverage on the Units and Common Areas, and such other insurance as is required under this Declaration;

(d) use hazard insurance proceeds for loss to the Improvements for other than repair, replacement or reconstruction of such Improvements as herein provided;

(e) change the method of determining the obligations, Assessments, dues or other charges which may be levied against an Owner; or

(f) a material change in any of the following provisions of this Declaration: voting rights; Assessments, Assessment liens or the priority of Assessment liens; reserves for maintenance, repairs, and replacement of Common Areas; responsibility for maintenance and repairs; reallocation of interests in the Common Areas, or rights to their use (except as provided in Article VII, Section 7.13 herein); redefinition of any Unit boundaries; convertibility of Units into Common Areas; expansion or contraction of the Project, or the addition, annexations, or withdrawal of Property to or from the Project; insurance or fidelity bond; leasing of Units; imposing of any restrictions on an Owner's right to sell or transfer his Unit; a decision by the Association to establish self-management when professional management had been required previously by this Declaration or by a First Mortgage holder; restoration or repair of the Project (after a hazard damage or partial condemnation) in a manner other than that specified in this Declaration; any action to terminate the legal status of the Project after substantial destruction or condemnation occurs; or any provisions that expressly benefit First Mortgage holders, insurers, or guarantors.

Additional Restrictions During Development Period. In addition to the provisions of Section 11.1 of this Article, after the Declarant has obtained evidence of approval for guaranteed or insured loans by Federal Housing Administration or the Department of Veterans' Affairs, if such event occurs, then continuing until such time as the Development Period terminates, the prior written approval of the Department of Veterans' Affairs or the Federal Housing Administration of the U.S. Department of Housing and Urban Development shall be required for any of the following:

- (g) Amendment of this Declaration;
- (h) Amendment of the Articles of Incorporation of the Association;
- (i) Annexation of all or any part of any additional property to this Declaration;
- (j) Encumbering or mortgaging of all or any part of the Common Area;
- (k) Dedication of all or any part of the Common Area, except for the granting of utility easements as provided by Section 2.5(a) of Article II hereof; and
- (l) Merger, consolidation or dissolution of the Association. Any merger or consolidation shall also comply with C.R.S. § 38-33.3-221.

Implied Approval by Eligible Mortgagee. If the prior approval of Eligible Mortgagees is required pursuant to Section 11.1 herein (or elsewhere in this Declaration), the Association

shall send a dated written notice and a copy of any proposed action or amendment by certified mail to each Eligible Mortgagee at its address of record with the Association. In addition, the Association shall cause the dated notice, together with information on how to obtain a copy of the proposed action or amendment, to be printed in full at least twice, on separate occasions at least one week apart, in a newspaper of general circulation in the County in which the Property is located. An Eligible Mortgagee that does not deliver to the Association a negative response within sixty (60) days after the date of the notice shall be deemed to have approved the proposed action or amendment.

Selection of an Alternative Dispute Resolution Process and Rejection of Litigation as a Remedy. By an Owner's purchase of a Unit and by the Association's receipt of title to any Common Area, the Owner and the Association (which, together with the Declarant, will be referred to in this Declaration as "Party" and "Parties") acknowledge that he/it is expressly agreeing to submit all disputes arising out of any alleged construction defect within the Project to the Dispute Resolution Process set forth in this Section 11.4, and further that he/it is waiving certain rights, including (1) waiving the right to proceed in any action against Declarant, Declarant's representatives or its respective former and present employees, agents, officers, directors, partners, successors assigns, subcontractors and affiliates in any court; (2) waiving right to a trial by jury; and (3) waiving certain types of damages, including punitive or exemplary damages, treble damages, consequential damages, and damages for emotional distress and pain and suffering. The parties expressly recognize the many benefits of electing alternative dispute resolution, including potentially reduced costs and faster resolution of disputes. The Dispute Resolution Process consists of the following three phases: (1) Notification, Inspection, and Neutral Evaluation, (2) Mediation, and (3) Binding Arbitration. Notwithstanding any other provision contained in this Section 11.4, prior to the Association commencing the alternative dispute process described in this Section 11.4, the Association shall obtain the consent thereto of at least sixty-seven percent (67%) of the Owners.

First Stage: Notification, Inspection, and Neutral Evaluation. Notification, Inspection and Neutral Evaluation are condition precedents to mediation and arbitration.

Notification. Any Party claiming to have suffered an injury, or claiming to have discovered a defect in the construction of any portion of his Unit, Townhome, or a Common Area, shall file with Declarant (at the address provided in Section 12.8 hereof) a written notice as provided in this Section 11.4(a)(i) within one hundred eighty (180) days after the date of the discovery of the injury, regardless of whether the Party then knew all of the elements of a claim or of a cause of action for such injury ("Notice"). Compliance with the provisions of this Section 11.4(a)(i) shall be a condition precedent and prerequisite to any further action brought against the Declarant. Failure of compliance, pursuant to this section shall forever bar any such action. The Notice shall contain the following:

- A. The name and address of the claimant and the name and address of his attorney, if any;
- B. A concise statement of the factual basis of the claim, including the date, time, place, and circumstances of the act, omission, or event complained of;
- C. The name and address of any person responsible, if known;
- D. A concise statement of the nature and the extent of the injury claimed to have been suffered or defect claimed; and
- E. A statement of the amount of monetary damages that is being requested, and other remedy sought.

Notice shall be sent to the Declarant in one of the following manners: by registered mail or upon personal service by an uninterested third party upon the Declarant as provided in the Colorado Rules of Civil Procedure Rule 4.

Inspection. Within ten (10) days of receipt by Declarant of the above Notice, as set out in Section 11.4(a)(i), the Declarant shall contact the complaining Party to set up an inspection of the applicable Unit, Townhome or Common Area. After said inspection, the Declarant and the complaining Party(ies) shall meet to determine whether they can agree upon a course of action to address the concerns in a manner agreeable to all Parties. If the Parties cannot agree on a course of action, the Parties shall proceed to obtain a “Neutral Evaluation,” as described in Section 11.4(a)(iii) below.

Neutral Evaluation. The Parties shall select a neutral third party “evaluator” with expertise in the area in question to come to the applicable Unit, Townhome or Common Area and inspect and evaluate the claimed defects. If the Parties are unable to agree upon a single “evaluator” each Party shall select one evaluator, and the two evaluators shall select a third. The Parties shall share equally in the evaluator(s)’ fees and expenses. After selecting the evaluator(s), the evaluator(s) shall conduct an inspection and make an initial determination including (a) whether there is a defect and (b) the most appropriate remedy for the defect. The Parties shall then meet to determine whether they can agree to a course of action to address the concerns. If the dispute is not resolved, the Parties shall proceed to mediation as provided in Section 11.4(b) below.

Second Stage: Mediation. If the dispute cannot be resolved pursuant to the proceeding set forth in Section 11.4(a) above, mediation is a condition precedent to any further action. The Parties shall agree upon a neutral mediator, and attend a mediation with said person. If

the Parties cannot agree upon a mediator, either Party may file an action, exclusively to cause the Mesa County District Court to appoint a neutral mediator. The Parties shall share equally in the mediator's fees and expenses, and all costs related thereto.

Final Stage: Binding Arbitration. If mediation is not successful, and either Party wishes to pursue the dispute further, the Parties shall proceed to binding arbitration under the Uniform Arbitration Act, Part 2 of Article 22, of Title 13, C.R.S. The Parties shall select a neutral arbiter. If the Parties are unable to agree upon a single arbiter, each Party shall select one arbiter, and the two arbitrators shall select a third. The Parties shall share equally in the arbiter(s)' fees and expenses. If the two arbiters are unable to select a third arbiter, either Party may file suit for the sole purpose of asking a Court of competent jurisdiction to select the third arbiter. The Court shall be given a list of three arbiters by each Party. Arbitration shall be valid and binding pursuant to the Uniform Arbitration Act, C.R.S. § 13-22-203. In matters of construction standards, arbitrators will render a decision based upon whether the Declarant has met the NAHB Residential Construction Performance Guidelines. The arbitrator's decision will be final and binding upon the Parties who are subject to this Declaration and result in final resolution of the disputed items between the Parties. Judgment upon any award rendered by the arbitrator may be entered by any state or federal court, as appropriate. The decision of the arbitrator shall be final, and not appealable, except as provided under C.R.S. § 13-22-201, et seq.

Attorney Fees and Costs. If it becomes necessary for any Party to enforce this Article XI or to obtain redress for the violation of any provision of this Article XI, whether by litigation, arbitration or other proceedings, the party who substantially prevails in such matter shall be entitled to recover from the other party reasonable attorney fees, court costs, or other legal fees incurred in such litigation, arbitration or other proceedings.

XII.

## GENERAL PROVISIONS

Acceptance of Provision of All Documents. The conveyance or encumbrance of a Unit or the Improvements thereon shall be deemed to include the acceptance of all provisions of the Governing Documents, all of which shall be binding upon each Owner, his heirs, personal representatives, family, guests, tenants, successors and assigns, and everyone having an interest in the Unit without the necessity of inclusion of an express provision in the instrument of conveyance or encumbrance. The Association and the Owners shall obey and perform any protective or other covenants recorded against the Property prior to the recording of this Declaration.

Enforcement. The Board, the Declarant or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations,

liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Board or by the Declarant or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The Board shall have the right to promulgate rules and regulations to enforce or apply this Declaration, and all Owners and other parties subject thereto shall strictly comply therewith. In addition to all other remedies, the Board shall have the right, after notice and an opportunity to be heard, to impose upon any Owner reasonable fines for any breach by that Owner of the provisions of this Declaration, the Bylaws and/or the Association's rules and regulations. All rights and remedies provided in this Declaration are distinct and cumulative to any other right or remedy hereunder or afforded by law or in equity, and may be exercised concurrently, independently or successively.

Non-Waiver. Any forbearance or failure to enforce any provision of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration or of any subsequent enforcement of any such provision. The rights and remedies of the Association are distinct and cumulative to any other right or remedy hereunder or afforded by law in equity and may be exercised concurrently, independently or successively without effect or impairment upon one another.

Severability. Invalidation of any of these covenants or restrictions by judgment or court order shall in no way affect or limit any other provisions which shall remain in full force and effect.

Conflicts of Provisions. In case of conflict between this Declaration and the Articles of Incorporation or the Bylaws, this Declaration shall control. In case of conflict between the Articles of Incorporation and the Bylaws, the Articles of Incorporation shall control.

Amendment and Termination. Subject to the provisions of Article XI herein, any amendment to this Declaration that would terminate the Declaration shall require the affirmative vote or written consent of the Members to whom at least eighty percent (80%) of the votes in the Association are allocated and, during the Development Period, the written approval of Declarant. Further, any termination of this Declaration and the planned community created hereby, must be in accordance with C.R.S. § 38-33.3-218. Except as provided in the foregoing, and subject to Article XI, this Declaration may be amended by the affirmative vote or written consent of the Members to whom at least sixty-seven percent (67%) of the votes in the Association are allocated and, during the Development Period, with the additional written approval of Declarant. Notwithstanding the foregoing, Declarant shall have the unilateral right during the Development Period to amend this Declaration for the following matters: (i) creating new Common Area (ii) changing a Common Area to Limited Common Area; (iii) recording new plats or new certification of plats pursuant to C.R.S. § 38-33.3-209(6); (iv) to exercise any Development Rights established by this Declaration; (v)

to add unspecified real estate to this Declaration; and (vi) and for any other reason permitted under the Act.

An amendment to this Declaration shall be effective only upon the occurrence of all of the following events:

(a) The amendment shall have been reduced to a writing, which writing shall have been approved (by an affirmative vote or written consent) by the applicable required percentage of Members and, if applicable, Declarant and the Eligible Mortgagees;

(b) A written certificate executed and acknowledged by the president or any vice president of the Association, shall be attached to the written amendment which shall state that such amendment was approved by the applicable required percentage of Members, Declarant and by all Eligible Mortgagees, if any, who are required to approve such amendment pursuant to Article XI; and

(c) The approved written amendment and the certificate described in (a) and (b) above shall be recorded in the office of the Clerk, and indexed in the Grantee's index in the name of the Project and the Association and in the Grantor's index in the name of the person executing the amendment.

(d) It will be a presumption subsequent to the recording of an Amendment to this Declaration that all votes and consents required to pass the same pursuant to this Declaration were duly obtained (at a duly called meeting of the Association, in the case of votes). Such presumption may be rebutted by an action commenced within one (1) year from the date the amendment is recorded; in the absence of any such action, such presumption shall thereafter become conclusive.

Registration by Owner of Mailing Address. Each Owner shall register his mailing address and email address, if any, with the Association, and except for monthly statements and other routine notices, all other notices or demands intended to be served upon an Owner shall be sent by either registered or certified mail, postage prepaid, addressed in the name of the Owner at such registered mailing address. All notices, demands or other notices intended to be served upon the Board or the Association shall be sent by certified mail, postage prepaid to the president of the Association at its registered address according to the records of the Colorado Secretary of State, unless such address is changed by the Association and notice of such change is provided to all Owners at their registered mailing address.

Assignment of Declarant's Rights. The Declarant may assign its rights and authority hereunder, in whole or in part, by express written assignment, duly recorded.

Number and Gender. Whenever used herein, unless the context shall otherwise provide, the singular shall include the plural, the plural the singular, and the use of any gender shall include all genders.

Captions. The captions to the Articles and Sections are inserted herein only as a matter of convenience and for reference, and are in no way to be construed to define, limit, or otherwise describe the scope of the Declaration or the intent of any provisions hereof.

Association to Resolve Ambiguities. If any doubt or question shall arise concerning the true intent or meaning of any of this Declaration, the Board shall, by resolution, determine the proper construction of the provision in question and such resolution shall fix and establish the meaning, effect and application of the provision. However, this provision shall not apply to any such question concerning Declarant, unless Declarant has given its specific prior written authorization for the Board to make the determination.

Governing Law. This Declaration shall be governed by, and construed in accordance with, the statutes and laws of the State of Colorado.

Duration. Each and every provision of this Declaration shall be binding upon each and every Owner, his heirs, successors, assigns and personal representatives and shall run with and bind the land for a term of twenty (20) years from the date of recording of this Declaration, after which time this Declaration shall be automatically extended for successive periods of ten (10) years each.

Landscaping, Soils and Environmental Matters.

(e) THE ASSOCIATION SHALL MAINTAIN THE LANDSCAPING, DRAINAGE, AND SPRINKLER SYSTEMS UPON THE PROPERTY IN SUCH A FASHION THAT THE SOIL SURROUNDING THE FOUNDATIONS OF THE TOWNHOMES AND OTHER IMPROVEMENTS SHALL NOT BECOME SO IMPREGNATED WITH WATER THAT THEY CAUSE EXPANSION OF OR SHIFTING OF THE SOILS SUPPORTING THE IMPROVEMENTS OR OTHER DAMAGE TO THE IMPROVEMENTS AND DO NOT IMPEDE THE PROPER FUNCTIONING DRAINAGE, LANDSCAPING, OR SPRINKLER SYSTEMS AS ORIGINALLY INSTALLED. SUCH MAINTENANCE SHALL INCLUDE, WHERE NECESSARY, THE REMOVAL OR REPLACEMENT OF IMPROPERLY FUNCTIONING GUTTERS, DOWNSPOUTS, LANDSCAPING, DRAINAGE, OR SPRINKLER SYSTEM ELEMENTS AND SHALL ALSO INCLUDE PREVENTING PONDING AND REGRADING AND RESURFACING WHERE NECESSARY TO PROVIDE FOR ADEQUATE DRAINAGE AND PREVENTING ANY CHANGES IN LANDSCAPING IN SUCH A WAY AS TO ENDANGER THE STRUCTURAL INTEGRITY OR THE STABILITY OF ANY OF THE

LANDSCAPING, WALKWAYS, WALKS, DRAINAGE OR SPRINKLER SYSTEMS, OR THE OTHER IMPROVEMENTS UPON THE PROPERTY. THE ASSOCIATION AND THE OWNERS SHALL INDEMNIFY THE DECLARANT FROM ANY LIABILITY, CLAIMS AND EXPENSES, INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEY FEES, RESULTING FROM ANY BREACH OF THIS PROVISION.

(f) THE OWNERS ACKNOWLEDGE AND UNDERSTAND THAT SOIL, ECOLOGICAL AND/OR ENVIRONMENTAL CONDITIONS, INCLUDING, WITHOUT LIMITATION, RADON GAS, HAZARDOUS OR TOXIC SUBSTANCES, MAY AFFECT THIS PROPERTY AND THAT THE DECLARANT DOES NOT WARRANT AND INSTEAD AFFIRMATIVELY DISCLAIMS ANY LIABILITY FOR ANY EXISTING OR FUTURE SOIL, ECOLOGICAL OR ENVIRONMENTAL CONDITIONS AFFECTING THE PROPERTY, AND THAT THE SOIL IN THE COLORADO AREA CONTAINS CLAY AND OTHER SUBSTANCES WHICH MAY CAUSE IT TO SWELL WHEN WET AND SO CAN CAUSE EARTH MOVEMENT AROUND A TOWNHOME'S FOUNDATION; THE OWNERS ACCEPT THE SOIL CONDITIONS, THE FOUNDATIONS AND THE BUILDINGS SO INSTALLED WITHOUT ANY EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS.

(g) THE U.S. ENVIRONMENTAL PROTECTION AGENCY ("EPA") STATES THAT EXPOSURE TO ELEVATED LEVELS OF RADON GAS CAN BE INJURIOUS. ANY TEST TO MEASURE THE LEVEL OF RADON GAS CAN ONLY SHOW THE LEVEL AT A PARTICULAR TIME UNDER THE CIRCUMSTANCES OCCURRING AT THE TIME OF TESTING. DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS ARE NOT QUALIFIED TO MEASURE RADON GAS OR TO EVALUATE ALL ASPECTS OF THIS COMPLEX AREA OF CONCERN. PRIOR OR SUBSEQUENT TO CLOSING OF THE OWNERS'S PURCHASE OF THE TOWNHOME, THE OWNER MAY WISH TO TEST FOR THE PRESENCE OF RADON GAS AND TO PURCHASE OR INSTALL DEVICES THAT MAY BE RECOMMENDED BY QUALIFIED RADON SPECIALISTS. THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, EXPRESSLY DISCLAIM AND THE OWNER AND THE ASSOCIATION AGREE TO WAIVE AND RELEASE THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, FROM ANY CLAIM OF LIABILITY OR RESPONSIBILITY WITH RESPECT TO RADON GAS AND RELATED MATTERS AND TO HOLD HARMLESS FROM ANY CLAIMS OR LIABILITY AGAINST THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS OR ASSIGNS WITH RESPECT TO RADON GAS AND RELATED MATTERS.

(h) FIBERGLASS INSULATION (ALSO KNOWN AS GLASS WOOL) IS COMMONLY USED FOR INSULATION OF HOMES, FIBERGLASS IN VARIOUS THICKNESSES AND VALUES IS USED IN THE AREAS OF WALLS, FLOOR TO CEILING, ASSEMBLIES AND CEILING TO ROOF ASSEMBLIES OF HOMES TO PREVENT MOVEMENT OF HEAT AND TO REDUCE NOISE. THE U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES PRODUCED A REPORT THAT LISTS GLASS WOOL AS A SUBSTANCE “WHICH MAY BE REASONABLY ANTICIPATED TO BE A CARCINOGEN,” BUT THAT REPORT MERELY IDENTIFIES SUBSTANCES SELECTED FOR FURTHER STUDY BECAUSE OF POTENTIAL RISK. THE LISTING OF A SUBSTANCE IN THE REPORT IS NOT AN ASSESSMENT THAT THERE IS A CASUAL CONNECTION BETWEEN GLASS WOOL AND ILLNESS. THE OWNERS AND THE ASSOCIATION ACKNOWLEDGE THAT FIBERGLASS IS USED IN THE WALL AND FLOOR TO CEILING ASSEMBLIES, AND WAIVE ANY CLAIMS AGAINST THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, ARISING AS A RESULT OF THE USE OF FIBERGLASS INSULATION, AND AGREES TO HOLD DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS HARMLESS FROM ANY CLAIM OR LIABILITY RESULTING FROM THE EXISTENCE OF FIBERGLASS INSULATION IN THE TOWNHOME OR THE PROJECT.

(i) THE ASSOCIATION AND THE OWNERS AGREE TO DO NOTHING WHICH WOULD CHANGE THE GRADING OR LANDSCAPING SO AS TO CAUSE OR PERMIT POOR DRAINAGE OR OTHER DAMAGE TO THE TOWNHOMES, TO ACCEPT THE SOIL CONDITIONS, LANDSCAPING, INSULATION, RADON, ECOLOGICAL AND ENVIRONMENTAL CONDITIONS, WHICH NOW OR HEREAFTER EXIST ON THE PROJECT, AND TO RELEASE AND INDEMNIFY THE DECLARANT FROM ANY LOSS, DAMAGE AND EXPENSE RESULTING FROM ANY OF THE FOREGOING.

Disclosures, Disclaimers and Releases. NO REPRESENTATION, PROMISE OR WARRANTY, HAS BEEN MADE BY DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, REGARDING THE DEVELOPMENT OF ADJACENT PROPERTIES TO THE INVESTMENT POTENTIAL OF THE TOWNHOME, ANY ECONOMIC BENEFIT TO THE OWNERS, THEIR HEIRS, SUCCESSORS AND ASSIGNS, TO BE DERIVED FROM THE MANAGERIAL OR OTHER EFFORTS OF DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, OR ANY OTHER THIRD PARTY DESIGNATED OR ARRANGED BY THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, RELATED TO THE OWNERSHIP OR RENTAL OF THE TOWNHOME, OR REGARDING THE CONTINUED EXISTENCE OF ANY VIEW FROM THE TOWNHOME. THE OWNERS,

THEIR HEIRS, SUCCESSORS AND ASSIGNS, UNDERSTAND THAT DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, ARE UNDER NO OBLIGATION WITH RESPECT TO FUTURE PLANS, ZONING OR DEVELOPMENT OF ADDITIONAL PROPERTY IN THE AREA. THE OWNERS, THEIR HEIRS, SUCCESSORS AND ASSIGNS, UNDERSTAND THAT THE SIZES AND TYPE OF TOWNHOMES MAY CHANGE AT THE SOLE DISCRETION OF THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS, AND THAT THE SALES PRICES MAY DECREASE OR INCREASE AT THE SOLE DISCRETION OF DECLARANT.

BY ACQUIRING TITLE TO A UNIT, THE OWNERS, THEIR HEIRS, SUCCESSORS AND ASSIGNS COVENANT AND AGREE THAT EXCEPT FOR ANY WRITTEN LIMITED WARRANTY, THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS MAKE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, OF ANY NATURE, INCLUDING, WITHOUT LIMITATION, ANY REPRESENTATION OR WARRANTY AS TO THE FITNESS, WORKMANLIKE CONSTRUCTION, MERCHANTABILITY, DESIGN, CONDITION, QUALITY, OR HABITABILITY OF THE TOWNHOME, THE PROJECT, OR ANY IMPROVEMENTS RELATED THERETO OR ANY ELECTRICAL, PLUMBING, HEATING, GAS, WATER, SEWER, STRUCTURAL COMPONENTS, OR OTHER MECHANICAL OR UTILITY SYSTEMS OR COMPONENTS OR APPLIANCES OR FIXTURES RELATED THERETO. THE OWNERS SPECIFICALLY ACKNOWLEDGE THE EXISTENCE OF A NEARBY WATERPUMP FACILITY WITH A GENERATOR THAT MAY OCCASIONALLY EMIT FUMES AND LOUD NOISES DURING OPERATION. THE OWNERS AND THE ASSOCIATION ACCEPT THE FOREGOING DISCLAIMER OF WARRANTIES AND WAIVE, RELEASE AND INDEMNIFY THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS FROM ALL CLAIMS RELATED THERETO, TOGETHER WITH ANY CLAIMS FOR BODILY INJURY, PROPERTY DAMAGE AND INCIDENTAL OR CONSEQUENTIAL DAMAGES MADE BY ANY PERSON OR PARTY.

THE OWNERS, THEIRS HEIRS, SUCCESSORS AND ASSIGNS AND THE ASSOCIATION COVENANT AND AGREE THAT THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSORS AND ASSIGNS SHALL NOT BE LIABLE FOR CLAIMS RELATING TO THE TOWNHOME OR TO THE PROJECT AS TO ANY DEFECT IN WORKMANSHIP OR IN ANY MATERIAL USED IN CONSTRUCTION UNLESS OTHERWISE PROVIDED IN A SPECIFIC WRITTEN LIMITED WARRANTY SIGNED BY THE DECLARANT, THE OWNERS, THEIR HEIRS, SUCCESSORS AND ASSIGNS AND THE ASSOCIATION, EXPRESSLY WAIVE AND RELEASE ALL RIGHTS TO SUE FOR A DEFECT IN CONSTRUCTION OF THE TOWNHOME OR THE PROJECT OR BOTH AND SHALL RELY SOLELY ON THE OWNER'S OWN

INSPECTION AND EXAMINATION OF THE TOWNHOME AND/OR PROJECT AND NOT ON ANY REPRESENTATIONS OR WARRANTIES OF THE DECLARANT, ITS AGENTS, CONTRACTORS, SUCCESSOR AND ASSIGNS.
